

Spanish Language Classes for Kindergarteners *offered at Husky House*

What: Spanish language classes lead by an experienced Viva El Español teacher! Classes are specially designed to encourage and support daily use of the Spanish language. We cover themes that are relevant to your child's life and learn words and phrases that are easy to remember and use outside of class. The program uses a full-immersion approach, and children learn while singing songs, playing games and doing hands-on projects. Program follows a year-long curriculum, with new themes and vocabulary each session. A Husky House teacher is present at all times. Maximum 12 students.
