Spanish Language Classes

After School for K to 5th Graders

What: Spanish language classes lead by experienced teacher — Classes are specially designed to encourage and support daily use of the Spanish language. We cover themes that are relevant to your child's life and learn words and phrases that are easy to remember and use outside of class. Program uses a full-immersion approach, and children learn while singing songs, playing games, and doing hands-on projects. Numerous optional culturally-oriented fieldtrips and activities offered throughout the year. Maximum 12 students per instructor
