What: Spanish language classes lead by experienced teacher — Classes are specially designed to encourage and support daily use of the Spanish language. We cover themes that are relevant to your child's life and learn words and phrases that are easy to remember and use outside of class. Program uses a full-immersion approach, and children learn while singing songs, playing games, and doing hands-on projects. Program follows a year-long curriculum, with new themes and vocabulary each session. Each class is limited to 12 children.
